

AKASH DEEP BHATTACHARYYA

Software Developer

📞 8777566098 @ akashdeepbhattacharyya@gmail.com 🔗 linkedin.com/in/Akash Deep Bhattacharyya/ 📍 Kolkata

SUMMARY

I am a skilled software developer with 3.7 years of experience in MEAN and MERN stack development. My expertise lies in creating scalable web applications, building RESTful APIs, and designing responsive user interfaces. With a strong background in both frontend and backend development, I focus on delivering high-quality code while optimizing performance.
