# AKASH DEEP BHATTACHARYYA

## Software Developer

📞 8777566098  @ akashdeepbhattacharyya@gmail.com  🔗 linkedin.com/in/akashdeep-bhattacharyya-926280187/

## SUMMARY

I am a skilled software developer with 3.7 years of experience in MEAN and MERN stack development. I specialize in creating scalable web applications, building RESTful APIs, and designing responsive user interfaces. I have a strong background in both frontend and backend development, focusing on delivering high-quality code and optimizing performance
